Bowie knives and hunting and skinning knives of this period are acceptable. Swords that are acceptable for sale would be 1840's cavalry and officers' swords. Naval Cutlasses of the 1840's and Scottish broad swords and claymores are also ok. Sword canes that reflect those carried at this time are also acceptable.

**NOT ACCEPTABLE:** Edge weapons of Asian origins (Samurai swords). Medieval swords, daggers and dirks are not to be sold or displayed. Fantasy edged weapon and those with laminated grips and colorful metal scabbards are also unacceptable. We greatly appreciate your cooperation in this. It will benefit all traders.
